ARTICLE I - REGULATIONS, GENERALLY

Redevelopment of the Bowie Site is subject to the site development standards established in Article II of this Agreement, the School District Land Development Standards Agreement, as amended from time to time, ordinances specifically applicable to the Bowie Site, and the City of Austin Land Development Code (“City Code”) to the extent applicable in accordance with the School District Land Development Standards Agreement. Except as provided in Article II of this Agreement and the School District Land Development Standards Agreement, development of the Bowie Site shall comply with the requirements of the City Code. If a conflict exists between this Agreement and the School District Land Development Standards Agreement, ordinances specifically applicable to the Bowie Site, or the City Code, this Agreement controls. AISD may seek variances to City Code requirements for development of the Bowie Site as provided under City Code.

ARTICLE II - SITE SPECIFIC REGULATIONS

Redevelopment of the Bowie Site shall comply with the following:

1. AISD will comply with City Code Chapter 25-8 (*Environment*) and that chapter’s related technical criteria in effect as of the date of this Agreement, or, at AISD’s election, in effect as of the date of the site plan application.
2. Regardless of the requirements of City Code Chapter 25-8 (*Environment*), AISD will provide water quality treatment complying with City Code Section 25-8-514 (*Pollution Prevention Required*) for all existing and redeveloped impervious cover on the Bowie Site.
3. AISD will implement beneficial reuse of stormwater to the maximum extent feasible as determined by mutual agreement of the parties. Beneficial reuse of stormwater may include rainwater harvesting, internal non-potable use, landscape and athletic field irrigation, and other measures to reuse stormwater on-site, maximize infiltration, and reduce potable water usage for non-potable needs.
4. Notwithstanding any requirement of City Code Chapter 25-8 (*Environment*) to the contrary, Section 2.8 (*Fiscal Surety*) of the School District Land Development Standards Agreement shall apply to the redevelopment of the Bowie Site.

ARTICLE III - GENERAL PROVISIONS

Resolution of any issue or dispute relating to this Agreement shall be governed by the Dispute Resolution provision in the School District Land Development Standards Agreement.

IN WITNESS WHEREOF, this Agreement is made and executed to be effective upon execution by the authorized representatives of AISD and the City.
